Introducing Classic Modular Training Room Furniture!

Our economical classicly styled training room furniture has these standard features:

- Durable hardwood plywood construction throughout; the best value for your dollar!
- Your choice of Upholstered [Standard vinyl US-393 Black] or Laminated top ["English Oak" standard] for taping.
- Enclosed cabinet storage with single, full-depth adjustable height shelf.
- All units have finished backs and levelling glides.
- Use freestanding or combine to form stations or islands.
