Professional Modular Training Room Furniture

NATA SILVER CORPORATE PARTNER

**Introducing only the best
Modular Training Room Furniture!**

Our professional styled training room furniture has these deluxe features:

- Top quality construction throughout.
- Your choice of Upholstered [Standard vinyl US-393 Black] or Laminated top ["English Oak" standard] for taping.
- Enclosed cabinet storage with adjustable shelf; all units have finished backs and levelling glides; use freestanding or combine to form stations or islands.
- Raised panel solid hardwood fronts, with ergonomic built-in fingerpulls; no exposed hardware!

Options include:

- Taping heights of 36" or 42"
- Choice of our standard vinyl colors
- Substitute upholstery for laminate
- Wastebin Supply Laminated Tops
- Door and Drawer locks [keyed alike]
- Match other Bailey products such as Treatment Tables and Functional Tables to your Modular Furniture with the Cabinet Upgrade!

Modular Construction

[above] Taping Cabinet, and 3 Drawer Supply Cabinet with Wastebin Top Option

[below] Taping Cabinets with Backs and a 3 Drawer Supply Cabinet with Wastebin Top Option; all have Lock Options.

Two Taping Cabs with Backs, and a 3 Drawer Supply Cab bolted together as a combo taping station

This combo has the lock option on all units. The supply has a wastebin option.

Modular Construction allows endless variety of training room layouts with minimal effort.
