Upholstery Material Specifications & Color Chart *(Revised January 2007)*

The following Chart is for informational purposes only. Due to scanning, printing and computer monitors, the colors reproduced here may vary significantly from the finished product.

If the color choice is critical, or you are not familiar with the color being ordered, request a color swatch sample to be sent BEFORE placing an order. There are NO returns accepted due to color variances.

More information and color pictures are available for Naugahyde vinyl at:
