Classic Modular Training Room Furniture

Classic Modular has these standard features:

- Durable hardwood plywood construction throughout; the best value for your dollar!
- Your choice of Upholstered [Standard vinyl US-393 Black] or Laminated top ["English Oak" standard] for taping.
- Enclosed cabinet storage with single, full-depth adjustable height shelf.
- All individual units have finished backs and leveling glides.
- Use freestanding or combine to form stations or islands.

Options include:

- Taping heights of 36" or 42"
- Your choice of our 26 standard vinyl colors
- Custom team color stripes or embroidery
- Substitute laminate for upholstered tops
- Wastebin Supply Tops
- Door and Drawer locks [keyed alike]

**Modular Construction allows endless variety
of training room layouts with minimal effort.**
