Featuring only the best Modular Training Room Furniture

Our professional styled training room furniture has
these deluxe features:

- Top quality construction throughout.
- Your choice of Upholstered [Standard vinyl US-393 Black] or Laminated top ["English Oak" standard] for taping.
- Enclosed cabinet storage with adjustable shelf; all units have finished backs and leveling glides; use freestanding or combine to form stations or islands.
- Raised panel solid hardwood fronts, with ergonomic built-in fingerpulls; no exposed hardware!

Options include:

- Taping heights of 36" or 42"
- Choice of our standard vinyl colors
- Substitute laminate for upholstered tops
- Custom team stripes or embroidered logo
- Door and Drawer locks [keyed alike]
- Match other Bailey products such as Treatment Tables and Functional Tables to your Modular Furniture with the Cabinet Front Upgrade!

**Modular Construction allows endless variety
of training room layouts with minimal effort.**
